Principal’s Report

Tomorrow afternoon at 1.45pm students will enjoy a free performance called “See Sharp” by Lorin Nicholson, Australia’s pre-eminent youth motivational speaker. Please see flyer attached for more information. We would like to thank the Barooga Sporties for making this performance available to our students.

Next Wednesday, 27th August, we will be holding an Information Evening for parents of 2015 Kinder (Prep) children at 7.00pm in the Kinder classroom. The evening will outline our transition program and try to answer the many questions you may have about starting school. This is for children turning 5 years old before 1st August 2015. Enrolments are being taken now and forms can be collected from the office or will be available on the night. If you know of any families who are interested in enrolling their children in Kinder next year please invite them to come along.

SRC News
This term the SRC would like to assist the Cobram/Barooga Citizens Advice Bureau in providing goods for the care packages that they provide for those in need and the homeless in our district. To date 47 swags and care packages have been given out to homeless people in the district. The SRC would like to assist those less fortunate than ourselves and are asking each family to donate something from the list below. We also ask that you discuss the issue of homelessness at home so that the children may better understand this concept, empathise with those in need and also understand that a little act of kindness in the form of a small donation can assist to make someone’s life more comfortable.

LORIN NICHOLSON

Presents

See Sharp

Over the past decade Lorin’s award-winning performance called “See Sharp” has received outstanding feedback in over 1300 schools, to more than a million students throughout Australia and the globe.

Thanks to Clubs NSW’s BULLYcheck initiative promoting safer schools and safer workplaces, our local registered clubs are pleased to support our school by covering the cost of Lorin’s visit.

Our school is looking forward to Lorin sharing his simple but powerful messages of perseverance, resilience, respect, inclusion, leadership and striving for excellence with all staff, students, parents, family and community members on;

Tuesday 19th August 2014

1:45 pm

Many have been quoted as saying that this is without doubt the most motivational and potentially life changing presentation they have ever witnessed.

“You could hear a pin drop in our hall. Your show gave them more to contemplate in one hour than I could ever give them in my classroom.”

Lorin’s incredible guitar playing, coupled with his amazing life achievements growing up blind, will not only captivate and entertain our school, but will inspire each individual to take on a more positive attitude towards those around them, as well as finding the strength within, to never give up on achieving our dreams.

We are once again grateful for the support of the

Barooga Sports Club

and invite our entire school community to attend this amazing performance.
