Welcome to Andrea van Maanen, a pre service teacher from La Trobe University, who will be working with Miss Peake and Year 2 for the next four weeks.

Congratulations to Piper Laws, Natalia Morgan, William Brooks, Louis Crestani, Tylah Gray, Cashen Nolan, Catlin Nolan and Tyson O’Shea who were selected to participate in a learning day at the Environmental Education Centre in Wagga last week. From all reports you represented our school with distinction. Congratulations.

Good luck to Dela Gargaro who will be representing at the State Athletics Carnival this week in four events. What a fantastic achievement to be representing at this level. We wish her every success!

The P&C are holding a Movie Night this Friday 16th October. It will be shown on the big screen on the school oval. All families are invited to attend. Please see the attached flyer for more information.

Intereach will be conducting 123 Magic and Emotion Coaching sessions for parents in the school library, starting next Tuesday. Please see the attached information in the newsletter. If you would like to book a place for child minding please contact the school office as soon as possible as places are limited.

Next Tuesday students from Years 5 and 6 will be undertaking an educational tour of our National Capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the National Capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion. The rebate has already been deducted from total cost. An excursion information session will be held on Tuesday at 5:30pm in the Year 5/6 room. All parents of participating students are welcome to attend.

Next week we will welcome back Mr Francis from Long Service Leave.

Good luck to Dela who will be competing in the State Carnival on Wednesday and Thursday in Sydney, we can't wait to hear how she went.

Our Family Movie Night will be held this Friday 16th October, the movie is 'Alexander and the Terrible Horrible, No Good, Very Bad Day' this is a FAMILY movie so we would love to see as many families supporting this fundraiser, remember all money raised goes back into the school.

**School Sores (Impetigo)**

We have been advised of a few cases of School Sores at school. Please see below for more information about school Sores.

**Symptoms**

Small red spots change into blisters that fill up with pus and become crusted; usually on the face, hands or scalp.

Students should not attend school until antibiotic treatment starts. Sores should be covered with watertight dressings.

**How can I help prevent spread?**

Parents of children who may have had contact with School Sores should look for signs of infection and seek treatment if symptoms develop. Careful hand washing especially after changing dressings. Avoid sharing toilet articles, towels, clothing or bed linen. Consider using anti-bacterial soap for bathing for two to three weeks. Avoid scratching or touching the lesions to prevent spread to other parts of the body.

Completing the recommended antibiotic course is very important.

Sport and Recreation's
Swim and Survive lessons

Australian summers usually involve plenty of fun in and around
the water, but no parent should forget how important it is to
make sure children stay safe.

Sport and Recreation’s Swim and Survive classes for preschoolers
and school-aged children help youngsters learn important ways
to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and
are great fun as well. Plus, family discounts make our program
affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools
throughout regional NSW.

Our instructors are nationally qualified and screened for their
suitability to work with children.

Prices for nine lessons are $69 for school-aged children
and $49 for preschoolers (prices exclude pool entry fee).
