Principal’s Report

Dear Parents,

Our intensive swimming program begins today for children right across the school. To undertake this program requires much juggling of the regular timetable, so be aware that many activities, such as library, may be at different times. Make sure you remember towels, swimmers etc. and a plastic bag for wet things all with names on them. Thank you to Mrs Crestani for her organisation of the Swimming Program.

Congratulations to the Captains, SRC and children who attended the Remembrance Day Ceremonies last Tuesday. They all represented our school beautifully.

We are lucky to have a wonderful new photocopier, so we now have a pre-loved one looking for a lovely new home. It copies colour as well as black and white, back to back, A3 and A4, staples, networks etc. It would be ideal for a small business. If you or anyone you know is interested we will sell it to the highest tender. Please place your offer in a sealed envelope marked Photocopier Tender and deliver it to the office by 3.00pm Friday 27th November 2015. If you require more information please contact the office or call in and have a look.

The P&C will be meeting in the school library this Wednesday 18th November, 6.00pm in the school library. Please come along and support our wonderful P&C.

As November is the end of the financial year for NSW Public Schools, all accounts are now due to be finalised. Accounts were sent home in Week 5. Please return all payments as soon as possible.

Please remember that the office accepts CASH or CHEQUE ONLY as payment for excursions, fees etc. Unfortunately our system is unable to accept eftpos or direct debit payments.

Sport and Recreation’s Swim and Survive lessons
Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.
Sport and Recreation’s Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.
The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.
Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.
Our instructors are nationally qualified and screened for their suitability to work with children.
Prices for nine lessons are $69 for school-aged children and $49 for preschoolers (prices exclude pool entry fee).
