Dear Parents,

Envelopes for school photos were sent home last week. Please return them to school on or before Wednesday 11th March. Envelopes must be returned even if you are not purchasing any photos.

School Photos will be held this Thursday, 12th March. Please remember to include the correct money if paying by cash as NO CHANGE will be available on the day. Family envelopes are available at the school office.

Thank you for your participation in the Parent Teacher Interviews last week. We hope they were useful to you. You should have also received a survey seeking opinions and thoughts for future planning. Please return these to the office by the end of the week. If you did not receive a survey, you can collect one from the office.

Please do not use the staff car park as a shortcut when dropping off or collecting children. The footpath and gate provided are there for the safety and convenience of everyone.

This Wednesday the P & C is holding its AGM and a regular meeting at in the Library at 6.00pm. Meetings usually take only about an hour once a month. The P & C would love for you to be involved and participate in its support of your children and your school.

Good luck to Dela Gargaro who is competing in the Riverina Swimming Carnival in Albury Today.

Please remember that if your child is absent from school for any reason i.e.: sickness, appointment, holiday, etc. you must provide a written explanation of their absence, within seven days, even if you have called and advised the school of their absence. This is a NSW DET requirement.

John Francis, Principal
We are asking parents to please donate suitable items for the raffle. Raffle tickets were sent home in Week 5. Please use both sides of the tickets. 1 book = $10.00.

Rich Glen Olive Oil Scarecrow Competition
Year 5/6 are currently designing and making scarecrows to enter in the Rich Glen Olive Oil Scarecrow Competition. As the scarecrows need to be waterproof and durable enough to be on display in the gardens at Rich Glen for 12 months we have decided to use mostly metal for construction.
The children have come up with some wonderful designs but we need your help to collect enough materials in time to allow the children to complete their designs. The next building day will be Thursday 19th March. The competition closes on 26th March.
Could you please collect and send to school any sized tin cans, old empty paint tins, wire mesh with small holes, metal drums, plastic coated wire or anything else you think might be useful.
