**Principal’s Report**

Dear Parents,

Please remember to advise the school and your child’s teacher of any changes to your child’s normal home time routine e.g. being picked up instead of catching the bus or vice-versa, being picked up by someone else, walking to friends/carers, running late, etc.  Please send a note to school explaining the change in routine or call the school office and let us know. This saves any confusion at the end of the day.

Good luck to Kirbey Rudd and Lily Brooks who will be travelling to Wagga this Friday to compete in the PSSA Western Riverina Netball.

*John Francis, Principal*

Barooga Public School Facebook Page
Student Image Publication
As many of you are aware the Barooga Public School now has a Facebook page. It includes photos of events, which may include children, for the purpose of sharing information with other students, informing the school and broader community about school and student activities and recording student participation in noteworthy projects or community service.

Parents should be aware that when information is published on public websites and social media channels it can be linked to by third parties and may be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information.

I have read the above information about publishing student photos on the School Facebook Page and I DO NOT give permission for images of my child/ren to be published on the School Facebook page.
