Principal’s Report

Congratulations to all our athletes who represented at the Riverina Athletics Carnival which was held in Albury on Monday. You competed strongly and represented our school with distinction. Special mention must be made of Dela Gargaro who has qualified to compete in the State Carnival to be held in Sydney next term. What a fabulous achievement!

Friday was a busy day with lots happening at school. It was fantastic to see all the students in their Footy colours and raising money for such a worthwhile cause as the Fight Cancer Foundation. Well done to the SRC as they were able to donate $178.00. Again, a massive thank you to Dylan Brooks and the members of the Barooga Football/Netball club. Their expertise was invaluable in teaching the senior students new football skills over the last three weeks, culminating in our whole school footy colours day.

The Book Fair was again a huge success and thanks go to Mrs Crow for her effort and organisation. A percentage from all books sold at the fair enable the Library to purchase new resources for all the students to benefit from. Purchases from the day raised almost $600.00. Many thanks to all those families who supported the fair. Happy reading!

EnviroMentors came to visit the Kinder and Year 1 classes on Friday and the students came away with lots of knowledge about how to reduce waste.

Shae Hall and Emmily Woodhead participated in the Aspire Me Visual Arts camp last week and from all reports had a wonderful learning experience. Thanks go to Catherine Peach from Moulimien Public School for organising such a fantastic event.

The students are very busily rehearsing songs and dances as part of their creative and practical arts learning area. We would like to invite you to an end of term performance to showcase what they have been learning. This performance, ‘Around the world in 80 Beats’ will be held on the last Friday of term, 18th September, at 11:30 am at the amphitheatre.

**EnvironMentors**

Last Friday Kinder Maroon, Kinder Gold and Year 1 were visited by the EnvironMentors. They participated in a workshop called ‘Lunches Unwrapped’. This module introduced the idea of waste-free lunches to benefit both the environment and health. The students learned about the benefits of reducing waste and were shown ways to get around packaged products in their lunchboxes. They now have the information to take back home and create waste-free lunches. The rest of the classes will be visited by the EnvironMentors this Thursday 10th September.
