Dear Parents,

A list of necessary class supplies for students is listed further in the newsletter.

Unfortunately during the holidays termites were discovered in the canteen and the K/1 and 1/2 classrooms. At this stage the classrooms are unaffected, but will need repairs down the track, however the canteen has more damage and changes to service will be necessary. We’ll keep you posted.

A number of our students have allergies, including extremely severe ones. If this is the case with your child, we will need to develop an Action Plan, in consultation with your doctor. Those with existing plans may need to have them updated.

The School Swimming Carnival will be held on Friday 12th February at the Cobram Swimming Pool. This is for all Year 3 to 6 children and those Year 2 children turning 8 in 2016 who can swim 50m. The Year 3 to 6 Children will be practising for the upcoming Carnivals on Friday 5th and 19th February. Notes will be sent out next week.

If you have any questions, concerns or are unsure of anything please ask one of the staff for assistance. It is really important to keep our communication lines open and help out wherever we can.

There is always an overload of information early in the year so please keep an eye on the newsletter, which is a great source of information, or our website, which we try to keep up to date.
